The market you're in determine taxes, surcharges and fees, such as E911 and gross receipt charges. Taxes and Verizon Wireless surcharges may add between 8% - 40% of your monthly bill. Monthly Federal Universal Service (26.5% of the interstate telecom charges, varies quarterly based on FCC rate), Regulatory (21 cents per voice line, 2 cents per data only line) and Administrative (1.78 per voice line, 6 cents per data only line) charges are Verizon Wireless charges, not taxes, and are subject to change. For more details on these charges, call 1-888-684-1888.
